

Cell Phone Collection

Many people wonder what to do with their old cell phone. Because cell phones and their batteries contain toxic materials, they should not be thrown away.

Please donate your used cell phone(s) to the Faribault County Charitable Recycling program.

There are several cell phone drop sites in the county:

- Faribault County Courthouse, Blue Earth, Minnesota
- Bricelyn City Hall
- Elmore City Hall / Liquor Store
- Kiester City Hall / Liquor Store
- Minnesota Lake City Hall
- Winnebago City Hall

If you have any questions about this or any other solid waste program call the Prairieland Solid Waste Coordinator (507) 776-3232.
